Why March for Meals?

An increased number of seniors are living in or near poverty, isolated and alone, making hunger real. Almost 40% of Meals on Wheels recipients report needing assistance with more than one daily living essential, leading to the risk of early institutionalization, according to Meals on Wheels Texas. Through the Meals On Wheels programs in Midland, we are able to reduce malnutrition among seniors and promote healthier well-being for the elderly of our hometown.

TOO MANY SENIORS IN TEXAS ARE LEFT BEHIND, ALONE AND HUNGRY, STRUGGLING TO STAY INDEPENDENT AND HEALTHY.

Nationally, **1 IN 6** seniors struggles with hunger

Meals on Wheels delivers the support that keep seniors in their own home. We provide a hot nutritious noon time meal, a valuable safety check and a friendly visit each weekday.
